

Foundations

“If Allah wants good for a person, He makes them understand Islam.” - The Prophet (S)

Introduction

Foundations is Qutoof's flagship course. It is designed for students who have experience studying Arabic in English to take them to the next level. The course's focus is on developing listening comprehension skills and vocabulary acquisition through active listening and guided reading.

Course Objectives

- **Review:** to review grammar from Al-Aajromiyyah and extend existing grammar knowledge
- **Listening Comprehension:** to develop listening comprehension skills by active listening and guided reading
- **Vocabulary Acquisition:** to acquire new Arabic vocabulary
- **Arabic Medium:** to get comfortable with Arabic as the medium of study progressively

At the end of the course, the students will have:

- confidence in taking classes with Arabic as the medium of study
- completed a review of Al-Aajromiyyah
- read the story of Nuh (AS) from the textbook
- complimented the story of Nuh (AS) from the Qur'an
- learned how to perform I'raab analysis
- acquired ~500 new Arabic vocabulary

Course Texts

- قصص النبيين للأطفال: Stories of the Prophets for Kids
- Irab of Surah Nuh + parts of Surah Hud (course notes)
- Grammar rules (course notes)
- New vocabulary (course notes)

Course Instructor

- Sh Muhammad Helmi

Course Structure

- Saturday: Study of قصص النبيين للأطفال
- Sunday: Study of Surah Nuh/Surah Hud
